STUDY AUTHORS

Author—Robert Martorana, CFA, Senior Research Analyst, Financial Advisor

Robert Martorana has worked since 1985 as a stock analyst, portfolio manager, research director, financial advisor, and editor of a hedge-fund website. He is currently a portfolio manager at Right Blend Investing, LLC, an independent RIA in New Jersey and a consultant at Strategic Insight. He is the author of *Re-Evaluating the Wirehouse Opportunity: Gatekeeper, Asset Manager, and Advisor Insights*, and *ETF Trends: Insights on Distribution, Portfolio Construction, Risk, & Regulation*, both published in 2011. He is also the lead author of Strategic Insight's *Encyclopedia of '40 Act Alternatives*, published in 2012.

He began his career as a stock analyst at Value Line in 1985, and was a small-cap fund manager at Schroder Capital Management International. He managed high-net-worth accounts at Barclays in 1996, becoming director of U.S. Equity Research at Barclays Private Bank in the Americas. In 2006, he became editor of Street Insight, a hedge-fund website at TheStreet.com, and then worked at PNC Wealth Management as a Senior Financial Advisor.

Robert has managed institutional portfolios and HNW client accounts in every major asset class, has supervised more than 70 asset management professionals, and has published hundreds of reports in print and online.

He graduated from Lehigh University in 1984 with a B.S. in Economics (cum laude). He is a chartered financial analyst (CFA), a member of the New York Society of Security Analysts, and a contributor to SeekingAlpha.com and the CFA Institute's Inside Investing.

Co-Author—Alan Hess, Research Associate

Alan Hess serves as research associate with Strategic Insight. He supports the research team in analysis of financial market trends and writes regularly for SI publications, including the *Monitor* and *Alternatives Quarterly Update*. Alan served as a co-author on a number of studies, including *Asset Management Industry Market Sizing 2012-2017*, and the *Alternatives Industry Analysis*.

Prior to joining SI, he served as website manager for Southside Virginia Auto Auction (SVAA). He was responsible for customer outreach and client service support, maintaining the company website and email system.

Alan holds a Bachelor of Arts degree in Economics from Dartmouth College. While at Dartmouth, Alan served as a drill instructor at the Rassias Foundation, taught Spanish and German, and also performed with the Handel Society and Chamber Singers.

Co-Author—Edward Stavetski, Research Associate

Edward J. Stavetski is the founder of PCM Partners LLC, a firm that provides strategic investment consulting to family offices. He also conducts economic and proprietary investment market research for the registered investment advisor Whitford Advisory Services. He recently served clients in the private equity industry and completed a wide range of assignments, including deep market analysis, business valuations, deal structure consulting, and services pertaining to management leveraged buyouts (LBOs).

Previously he consulted to ultra-high-net-worth families, managing the investment oversight process, overseeing the design of customized asset allocation strategies and performing due diligence on separate account and alternate investment managers. He has also served as a chief investment strategist, compliance officer and as a mutual fund portfolio manager and as equity research director.

Edward has been an active member of the CFA Institute, served as a board member and past president of the local chapter of The Financial Analysts of Philadelphia, Inc., and was chairman of the Professional Development Committee for the CFA Institute. He is a regular contributor to TheStreet.com, Investopedia and Real Money, a frequent speaker at industry conferences and has written a book on hedge fund manager selection, published in 2008.

Research Associate—Owen Zukovich

Owen Zukovich is a research associate and an Investment Advisor Representative at Right Blend Investing. He passed his Series 65 exam in June 2012, and is a graduate of Drew University in Madison, NJ (Class of 2013). Owen participated in Drew University's Wall Street Semester program and was the co-chair for the Drew University Socially Responsible Investment Committee.

ACKNOWLEDGEMENTS

GATEKEEPERS AND ASSET MANAGERS

Strategic Insight would like to thank the gatekeepers and asset managers that we interviewed for this report for their time. Their support makes for insightful research and their candor makes for compelling reading.

STRATEGIC INSIGHT GLOBAL

This study reflects the collaborative effort of the Strategic Insight Global (SIG) team. This research is an example of how Strategic Insight delivers additional value to our clients by offering access to the resources of the entire organization. We thank the SI Global team for its contributions, as much of the data and research referenced here comes from SIG and the Simfund Global database.
